If you have any worries or concerns please be reassured you can speak to school staff in confidence without judgement or prejudice.

Attendance

This year we are hoping to gain 96% Overall Attendance for our school.

With this in mind we aim to reduce the amount of holiday's taken in term time, strengthen our policy on religious observance and ensure we embrace the cultural diversity we have at DHP by helping our children and families celebrate whilst still attending school.

Do you want to be in the 100% club?

Do you want to achieve?

Then you need to come to school everyday and enjoy all the new and exciting things that will come your way!

Finally, those youngsters who left Reception last summer, also made

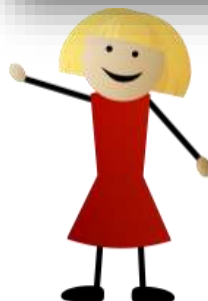

My thanks go to all of the hard working staff here at Dunstall, to the children, and to you for helping us to best support your children in their education.

Dunstall Hill Primary School Newsletter Sept 2015

Once again at Dunstall Hill, we are going to be reading around the world! Children will be receiving stickers and **certificates and 'moving around the world'** on our display boards for reading a target number of books at home. Parents will also receive postcards to thank them for supporting their children by listening to them read at home, asking them questions about their book and writing in their home school link books. Who will be the first to make it all the way around the world?

Reading Volunteers!

We would like to invite parents to join our push to improve reading throughout the school. We are looking for parents to support us by listening to children read.

If you would like to join us, please contact the office.

Our sounds for this edition are...

KS1- ay, may I play? e.g. day, play

KS2- ai, snail in the rain e.g. main

Say the sound! How many words can you find with these sounds?

You're never too old,
too wacky, too wild,
to pick up a book
and read to a child.
